Fire Commissioners Meeting January 14, 2020 at 5:30 p.m. 976 Main Street, Freedom Hall, Cotuit, Massachusetts

Called to order at 5:30

Present: Commissioner's Rick Pisano, Kevin Conley, Adam Zais, and Fire Chief-Paul Rhude

Public Comment: Cynthia Gardner asked for detail regarding personnel during his report (how many are out on IOD, sick time) and also after last meetings vote regarding hiring additional personnel -would like that to be discussed tonight as to that currently stands and how it is being done.

Minutes: December 10, 2019 minutes reviewed, accepted as drafted, seconded, all in favor

Chief Report

Monthly Activities:

- please see attachment A
- discussed three year run report-attachment B
- discussed marine unit response report-attachment C
- Mutual aid to Mashpee-Mashpee has made a lot of changes over the last year with increased staffing, changed their mutual aid district response and zones, and have shifted their aid to other districts.
 Cotuit's response to Mashpee has decreased with an exception to last month-Mashpee has had mechanical issues and two accidents with the ambulances. Commissioner Conley and Chief are still working with the town of Mashpee to make sure the trend is in the correct direction.

Administration:

 Chief discussed the organization Mashpee Polar Bear Club (sometimes known as the Cotuit Polar Plunge) that has taken place at Loop Beach in the past. Last two years the club has not pulled permits, have done damage to town property, and questions about their tax status. This year a permit came across Chiefs desk, he offered to sign it as long as they had proof of being a nonprofit organization, and never produced documents nor heard back from them. Some negative media was posted with incorrect information.

Training:

- Ice training is planned for February 5
- ACLS EKG training planned for Monday at the station

Pro EMS report:

In Commissioners packet for their review

Personnel:

- 3 FF out on IOD. Two have documented reports and expect to return in February, prior to return they
 will meet with the District Doctor to verify they are fit for duty. Third FF had an mri last week, waiting
 for results.
- New hires are on the regular rotation.
- May have another position to post, another district Chief has mentioned they had an interview with one of our FF
- Not currently advertising for the thirteenth position

 A former FF is filing for unemployment benefits, had an appeal hearing, but other parties didn't show so it has been dismissed.

Apparatus:

- 266 out of the water. Will be pressure washed and put/stored inside for update work.
- Received spare motors for free-need to be winterized

Facilities:

- Not many changes to report, but hope to have office space outlines for next month
- Commissioner Pisano asked about the Open Cape hookup? Chief just received a price for fiber
 connection from us to water tower-\$14,000 will get a few other prices. Commissioner Conley inquired
 about the long term-Chief will investigate the cost. Commissioner Pisano asked where the police
 interest is? Chief responded they currently lease lines through phone company which are unreliable
 and are looking to update all sites with fiber.
- Commissioner Pisano reverted back to the vital signs report-asked about information prior to arrival-Chief explained that information is given by dispatch, amount given was a very small pulling from the company and if continues will find out what kind of questions to ask to narrow it down to what the problem was-Chief has emailed the EMS Officer to find out what we can do to change questions to get more useable data out of it.

New Business:

- Discussed putting together a draft budget for FY21. Due to contract negotiations, Committee is a bit late in starting the process, will begin to get draft outlines done and inputs put together.
- Also, in timeline behind in lasts years process of annual evaluation for the Chief's performance and this
 is an upcoming contract year. Hope to bring evaluations together in March. Commissioner Pisano
 didn't find the form from last year helpful plans to use categories highlighted but not the rating system.

Other business/topics not anticipated by the Chair: N/A

Executive Session:

The Committee will now go into Executive Session.

Purpose 3-to discuss strategy with respect to collective bargaining or litigation if an open meeting may have a detrimental effect on the bargaining or litigating position of the public body and the chair so declares

The Committee will not return to open session.

Motion to adjourn, second, Commissioner Conley postponed it to ask about the situation with the dock. Chief responded he hasn't heard about the what came out of the shellfish advisory board meeting, discussion is still going through some meetings, (Inaudible) is having engineers and legal team look at other issues such as riparian rights.

Commissioner Pisano mentioned the appreciation letters for FF McPherson and Lt. McNamara and FF Staggs for the Commissioners to sign.

The Committee will now go into Executive Session.

Purpose 3-to discuss strategy with respect to collective bargaining or litigation if an open meeting may have a detrimental effect on the bargaining or litigating position of the public body and the chair so declares-second, all in favor. Now in Executive Session
