**Called to order** at 5:30 P.M.

**Prudential Committee:** Ray Pirrone-Treasurer, Fran Parks, Lisa Mycock-Kelly, Charlie Eager-Clerk

**Absent:** Silvio Genao

**Pledge of Allegiance**

**Special District Meeting Architect's presentation:** FP was contacted by Katherine, after meeting last week didn't think their presentation would be necessary at upcoming meeting due to response received. Committee needs to decide about that. Also need to withdraw article one due to the sum in the newspaper is not the sum that was voted on. LMK stated if we are not going to be presenting article one, we shouldn't go through the cost of having the architects come to the meeting. Committee reviewed articles and withdrew article 4, 5 and 6. RP has a few questions about the USDA grant-currently discussing with the water department.

**Matters not reasonably anticipated by the Chair:** NA

**Public Comment:** NA

**Motion to made to adjourn, second, all in favor.**
