

Cotuit Fire District  
By-Law Committee  
16 May 2025

DRAFT

The meeting was called to order at 6:00 PM at Freedom Hall.

Roll Call. Fran Parks, Chair.

The committee reviewed and discussed the district bylaws. We suggest the next by-law committee consider adjusting the time of the annual meeting to an earlier time on Wednesdays making it a more reasonable time for people to attend. Second, increase the meetings for the Policy Advisory and By-Law committee to two meetings per year. One in the fall of the year and one in late winter. A fixed time for the two subcommittees to meet will hopefully prevent last minute or missed meetings.

Respectively submitted,

Frances S. Parks
