

BOARD OF WATER COMMISSIONERS
MEETING DATE: Tuesday, April 16, 2024, 7:00 p.m.
LOCATION: Freedom Hall, 976 Main Street, Cotuit
Zoom ID: 346 207 1880

AGENDA

Members of the Board of Water Commissioners will be presenting at a meeting hosted by the Cotuit-Santuit Civic Association on the following topics:

- A proposed article to expand the authority of the Water Commission to work with private property owners to enhance water quality near the wellfields. State legislative action would be needed after district approval.
- An Affordable Access to Drinking Water policy which would provide every District resident with a minimum of 20,000 gallons of water per year for \$40, half the current cost. This reduction would be offset by an increase for customers using more than 60,000 gallons of water per year.

There will be a time for Q&A after the presentation.
